INSURANCE AUTHORIZATION SECTION:

Physical Therapy & Beyond strongly believes that patients should not pay for any services their insurance companies are obligated to cover. As a courtesy to our patients, we will bill your insurance company in an attempt to recover any payments due fully for the services provided. Any uncollected fees are billed to the patient only after all options to get paid for services have been exhausted by our Accounting Department. I understand that I am fully responsible for notifying Physical Therapy & Beyond of any changes regarding my medical coverage during ongoing treatment. The changes in medical coverage may include an auto accident, a work-related injury, termination of insurance or a change of insurance company and/or policies. ***If I do NOT comply with this policy, I understand and am fully aware I will be liable for any and all outstanding bills.*** I further understand that I am responsible for paying the balance of charges in the event my insurance does not fully cover for all services provided, including deductible, co-pay, co-insurance or percentage authorized or limited by law. Additionally, I hereby authorize and assign insurance benefits to Physical Therapy & Beyond and the release of any and all medical records as requested by any insurance company so that my bills can be processed and paid.

To Our Patient Regarding Cancellations and No-Shows

The following are our policies regarding cancellations and no-shows. We take this subject seriously because it can make the difference between whether you succeed in your treatment or not. Usually your referring doctor and/or your Physical Therapist have prescribed a set frequency of treatment. Showing up as scheduled for these visits is your most important job. Other than that, all you need to do is follow your Physical Therapist's instructions and we will be able to help you achieve your goals in treatment**. We require 24 hour notice in the event of a cancellation.** When you call in, it is your responsibility to have an alternative date and time in mind. This will ensure that you get the full prescribed number of treatments for that week whenever possible. **There is a charge of $35 for a cancellation without proper notice. This charge will not be covered by insurance and must be paid by you personally.** Worker's Compensation and Personal Injury patients are hereby informed that documentation of any missed appointments is forwarded to the Case Manager and Primary Physician and could jeopardize your claim.
